Connect your account	
Step 3: Enter Invite Code	
The invite code is a secret between the patient and the healthcars provider with whom you are connecting. If you were not given a code directly from your provider, it will mad likely be either the last four dight of your social security number area of birth lywy. Hearmber, if you are stilling up a pow account for a child or dependent adult, the code applies to that patient and will be the last four dight of higher social records number or year of birth (unkers you were given a specific multic code form the provider for that patient).	
For more information, please refer to the invitation email you received from noreply@followmyhealth.com or contact your provider.
